## Have You Taken Advantage of the Chicago Dental Society's Dental Budget Plan? If Not, Why Not?

**D**o you know the modern formula for practice building and security? Do you know that the five "Cs" in the formula are—Character, Capital, Capacity, Conditions, and Collateral? Through them you can render a more effective service to your patients and assure yourself of a very comfortable living. To help make this possible, the Society has set up the Dental Budget Plan.

If you would help yourself and your patients, join the Society Budget Plan in which more than half your fellow members are now enrolled.

These are but a few of the things it will do for you:

1. It will bring dentistry within the economic range of many more people.
2. It will interest new patients.
3. It will help eliminate many misunderstandings over fees.
4. It will solve most of your collection problems.

**WHY WAIT?? IT COSTS YOU NOTHING — WHY NOT JOIN NOW?**

# NEWS OF THE BRANCHES

## North Suburban

You have either already received or will soon receive your dinner tickets for the 1957-1958 North Suburban meetings. These will be your passes to some really fine programs that Jim Lynch and his committee have procured for us this year, including another Great Lakes' meeting in December. An example of what is in store is the October 8th meeting which will feature John Borden, of Washington, D.C. Here will be an opportunity of not only seeing the airtor first hand, but to hear and question the man who helped develop it. Another innovation for this year will be a social hour, preceding the dinners. Don't delay, get your checks in now, and enjoy one of the best years that our branch has ever had. . . . In spite of the fine resort-like weather we have enjoyed this summer, a number of our clan are still answering the call of the road. Bob Christopher has borrowed a house trailer, and has taken his family on a camping trip to some of the western parks. . . . Ray Thorsen has just returned from a ranch in Colorado. Ray found that even the wide open spaces can be confining. It seems that the entrance road was so rough that he had to stay on the ranch. . . . John Boyle spent three weeks in Michigan with his family. Other Michigan vacationers this year have been the Al Parcells, the John McGuires, and the Zeke Smothers. . . . The Hal Chasons have forsaken our shores, and are off to Europe for seven weeks. They will attend the International Meeting in Rome, where they will probably see the Chuck Merciers and the Adrian Swansons who

are vacationing together. Jim Best, who will be on the program, claims that he's going strictly for academic reasons, in spite of a week's recess in Paris before returning. . . . Maurice Hubbell has just returned from an enforced vacation brought on by an operation on his knee. He hasn't tried golf yet, but feels that his new maneuverability will sure beat playing with a cast on. He'll get a chance to show us on September 25th, when the Evanston Association of Dentists will hold its annual golf outing at Glenview Naval Air Station. . . . Don't forget those dinner reservations. Your committees have been working hard, and they need your support.—R. G. Fischl, Branch Correspondent.

## South Suburban

Hello September and goodbye summer. Speaking for myself this seems to have been a very short summer. I have just recently returned from a trip out West. My parents live in Tucson, Arizona, and although I have visited them on numerous occasions, my family and I have never been to California. This time in planning our trip, we hung several big maps of the general area on the wall and started looking for places of interest and, on this basis, we made out our itinerary. We got to see the Mojave Desert, Sequoia and Yosemite Parks and San Francisco. It was wonderful, but after all that driving, I was mostly impressed with the immensity in size of this great country of ours. . . . It finally happened, I got two notes while away. The first note from Bill Cusick and

reads as follows: "Mrs. Cusick and I are taking off the month of August on a flight to Panama, around South America and Puerto Rico." . . . The second note from Jim Daly, as follows: "Thought I'd drop you a little note to advise that we have a new member of the Daly family. Her name is Cynthia Ann, born July 9 at Little Company of Mary Hospital. This is our fourth youngster, already have two boys and another girl. Wife Kay and Father are doing fine. This still leaves Dr. Frank Wright of Homewood two up on me, but I'm not so sure I want to catch up." . . . Jim also passed on the word that Russ Dykstra is buzzing around Flossmoor in a Sierra Sand Convertible. . . . It won't be too long before our regular meetings start in again, and again as a gentle reminder, this year we will be meeting in the Elks Club in Blue Island. . . . That's all for now.—*H. C. Gornstein, Branch Correspondent.*

## West Suburban

**DEATH NOTICE:** West Suburban branch, beloved daughter of the Chicago Dental Society, nee American Dental Association . . . loving son of John Silberhorn . . . grandfather of the late Sylvester Cotter . . . resting at printers August 15th, cause of death . . . no news.—*Wayne Dunnom, Branch Correspondent.*

## Northwest Side

Visited with Glenn Cartwright—he's getting around on his own power and Mrs. Cartwright is having difficulty holding him down. He'd like to get back to the office. . . . M. A. Bahador, one of our talented Northwest-siders won a \$500.00

first prize for a painting at the Illinois State Fair. . . . Larry Peacock is dodging the hot Chicago weather by vacationing in Stevensville, Wisconsin. . . . Iver Oveson is vacationing at Sturgeon Bay, Wis. . . . It pays to improve your golf game. The prizes usually go to those who keep on improving. Ernie Laenertz reached the quarter-finals for the Sports and Pastime Golf Trophy at Brookwood Country Club. . . . A. H. Tamarin is spending four weeks in California visiting his many friends who have settled there. . . . Richard M. Jaskulski is home convalescing after surgery. He maintains this is not the best type of vacation. . . . I'm scratching the bottom of the barrel for news items. Won't you lend a hand? Phone ME 7-4474.—*James J. Guerrero, Acting Branch Correspondent.*

## West Side

Our October Ninth Clinic Day report from Mike DeRose and Lou Holzman rings with optimistic tidbits which will make this issue through the kind consent of these aforementioned gentlemen. One of the choicest is the presentation of Dr. Allison of Loyola University on "The Pros and Cons of the Rubber Base Materials." There will be top-drawer clinics on a time schedule and it is advisable to keep a sharp lookout for the one of your choice. A few of these will be a clinic on "Oral Surgery" by Irwin Robinson and Henry Bigelow, one on "Practical Denture Demonstrations" by the Chicago Denture Group including discussion by their President Joe Ullis and their Vice-President Bruno Krzeminiski and their Secretary Emil Coglianese, a clinic by E. Archer and I. Stone on "Periodontia,"

When Jean visits his "Dock" it's for a healthy reason. . . . Johnny McBride has been having pipe-dreams lately because the plumbers hooked them up incorrectly at his new Flossmoor office. We hope his future troubles will be little ones if he wants little ones. Howard Harvey is an authority on the subject. By the way Howard had a surprise visit with Willard Johnson, Ed Moran & Mac McNulty. Howard was out playing golf but the guests waited until he returned. With all those kids he has time for golf, too? Dave Torch just left for his summer jaunt while Asher Sherow keeps equipment in action. . . . Ben Binderman hasn't time for a vacation just now because he has to inspect the margin of each new brick as his new home continues to become a reality. . . . Willard Johnson is planning to take an active part in the Dental Health Conference Workshop to be held at Peoria in October. . . . Howard Shepard writes from Silver Lake, Michigan, that the fish up there wouldn't make good bait for Graham Davies' Long Lake, Wisconsin "Old Fighter." . . . Bob Kreiner, as boating guest of Orville Knitter, witnessed a private water show *ala* aqua-planing by Orville and his son. . . . Adolph Zihlerle spent his vacation time at Paw Paw Lake, Michigan. By the way, his daughter Janice displayed her talents with the Showcase Theatre recently. . . . Dick Perlow is headed for the Wisconsin Dells. . . . Linn Cooley just returned from Aspen, Colorado. We express our belated sympathy in his recent loss. . . . Hold on to your cuspidors—here is a last-minute bulletin of earth-shaking proportions! Hold everything. The censors have blocked the release. spending money through his sprinting activities. After his graduation from high school he taught school in order to earn money to help defray his dental college expense.

He was graduated from St. Louis University in 1912 and first practiced his profession in the southern part of Illinois—Litchfield and Mt. Vernon. He moved to Chicago in 1922 and opened an office at 63rd and Halsted where he developed a very busy practice. He later moved his office to the Medical and Dental Arts Building in Chicago's Loop where he continued to practice until his death.

From 1930 to 1938 Dr. Bray was an instructor in the crown and bridge department of the University of Illinois College of Dentistry.

He was very much interested in Dental Society activities and served his local branch, Englewood, as a member of several important committees. He was a member of the Public and Professional Relations Committee of the Chicago Dental Society, 1933-1935. In 1935 he was elected Secretary of the Chicago Dental Society and served in that capacity until 1937. In 1942 he was elected President of the Society and was an outstanding leader.

Dr. Bray entered military service in the Medical Corps in World War I as a lieutenant, and was made a captain before the end of the war.

Those of us who had the good fortune to know Dr. Bray, deeply regret the loss of so fine a gentleman, dentist, and friend.

—Robert I. Humphrey.

**PERIODONTAL CARE IS A

Dr. S. R. Parks, Professor of Periodontology at Baylor University College of Dentistry, writing in the *American Dental Association Journal*, states that periodontists estimate that success of periodontal treatment is the responsibility of the patient to the extent of 50 to 90 per cent, the balance of responsibility is the dentist's. Without complete cooperation periodontal care will be only partially successful.
